4. GENERAL CONDITIONS OF CONTRACT – GOVERNMENT PROCUREMENT

1. DEFINITIONS

The following terms shall be interpreted as indicated:

- 1.1. "Closing time" means the date and hour specified in the bidding documents for the receipt of bids.
- 1.2. "Contract" means the written agreement entered into between the purchaser and the supplier, as recorded in the contract form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.
- 1.3. "Contract price" means the price payable to the supplier under the contract for the full and proper performance of his contractual obligations.
- 1.4. "Corrupt practice" means the offering, giving, receiving, or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution.
- 1.5. "Countervailing duties" are imposed in cases where an enterprise abroad is subsidized by its government and encouraged to market its products internationally
- 1.6. "Country of origin" means the place where the goods were mined, grown or produced or from which the services are supplied. Goods are produced when, through manufacturing, processing or substantial and major assembly of components, a commercially recognized new product results that is substantially different in basic characteristics or in purpose or utility from its components.
- 1.7. "Day" means calendar day.
- 1.8. "Delivery" means delivery in compliance of the conditions of the contract or order.
- 1.9. "Delivery ex stock" means immediate delivery directly from stock actually on hand
- 1.10. "Delivery into consignees store or to his site" means delivered and unloaded in the specified store or depot or on the specified site in compliance with the conditions of the contract or order, the supplier bearing all risks and charges involved until the supplies are so delivered and a valid receipt is obtained.
- 1.11. "Dumping" occurs when a private enterprise abroad market its goods on own initiative in the RSA at lower prices than that of the country of origin and which have the potential to harm the local industries in the RSA.
- 1.12. "Force majeure" means an event beyond the control of the supplier and not involving the supplier's fault or negligence and not foreseeable.
- 1.13. Such events may include, but is not restricted to, acts of the purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.
- 1.14. "Fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of any bidder, and includes collusive practice among bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the bidder of the benefits of free and open competition.
- 1.15. "GCC" means the General Conditions of Contract.
- 1.16. "Goods" means all of the equipment, machinery, and/or other materials that the supplier is required to supply to the purchaser under the contract.
- 1.17. "Imported content" means that portion of the bidding price represented by the cost of components, parts or materials which have been or are still to be imported (whether by the supplier or his subcontractors) and which costs are inclusive of the costs abroad, plus freight and other direct importation costs such as landing costs, dock dues, import duty, sales duty or other similar tax or duty at the South African place of entry as well as transportation and handling charges to the factory in the Republic where the supplies covered by the bid will be manufactured.
- 1.18. "Local content" means that portion of the bidding price which is not included in the imported content provided that local manufacture does take place.

BERGRIVIER MUNICIPALITY

- 1.19. "Manufacture" means the production of products in a factory using labor materials, components and machinery and includes other related value-adding activities.
- 1.20. "Order" means an official written order issued for the supply of goods or works or the rendering of a service.
- 1.21. "Project site" where applicable, means the place indicated in bidding documents.
- 1.22. "Purchaser" means the organization purchasing the goods.
- 1.23. "Republic" means the Republic of South Africa.
- 1.24. "SCC" means the Special Conditions of Contract.
- 1.25. "Services" means those functional services ancillary to the supply of the goods, such as transportation and any other incidental services, such as installation, commissioning, provision of technical assistance, training, catering, gardening, security, maintenance and other such obligations of the supplier covered under the contract.
- 1.26. "Supplier" means the successful bidder who is awarded the contract to maintain and administer the required and specified service(s) to the State.
- 1.27. "Tort" means in breach of contract.
- 1.28. "Turnkey" means a procurement process where one service provider assumes total responsibility for all aspects of the project and delivers the full end product / service required by the contract.
- 1.29. "Written" or "in writing" means handwritten in ink or any form of electronic or mechanical writing.

2. Application

- 2.1. These general conditions are applicable to all bids, contracts and orders including bids for functional and professional services, sales, hiring, letting and the granting or acquiring of rights, but excluding immovable property, unless otherwise indicated in the bidding documents.
- 2.2. Where applicable, special conditions of contract are also laid down to cover specific supplies, services or works.
- 2.3. Where such special conditions of contract are in conflict with these general conditions, the special conditions shall apply.

3. General

- 3.1. Unless otherwise indicated in the bidding documents, the purchaser shall not be liable for any expense incurred in the preparation and submission of a bid. Where applicable a non-refundable fee for documents may be charged.
- 3.2. Invitations to bid are usually published in locally distributed news media and on the municipality / municipal entity website.

4. Standards

- 4.1. The goods supplied shall conform to the standards mentioned in the bidding documents and specifications.

5. Use of contract documents and information; inspection.

- 5.1. The supplier shall not, without the purchaser's prior written consent, disclose the contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the purchaser in connection therewith, to any person other than a person employed by the supplier in the performance of the contract. Disclosure to any such employed person shall be made in confidence and shall extend only as far as may be necessary for purposes of such performance.
- 5.2. The supplier shall not, without the purchaser's prior written consent, make use of any document or information mentioned in GCC clause 5.1 except for purposes of performing the contract.
- 5.3. Any document, other than the contract itself mentioned in GCC clause 5.1 shall remain the property of the purchaser and shall be returned (all copies) to the purchaser on completion of the supplier's performance under the contract if so required by the purchaser.

BERGRIVIER MUNICIPALITY

- 5.4. The supplier shall permit the purchaser to inspect the supplier's records relating to the performance of the supplier and to have them audited by auditors appointed by the purchaser, if so required by the purchaser.

6. Patent rights

- 6.1. The supplier shall indemnify the purchaser against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the goods or any part thereof by the purchaser.
- 6.2. When a supplier developed documentation / projects for the municipality / municipal entity, the intellectual, copy and patent rights or ownership of such documents or projects will vest in the municipality / municipal entity.

7. Performance security

- 7.1. Within thirty (30) days of receipt of the notification of contract award, the successful bidder shall furnish to the purchaser the performance security of the amount specified in SCC.
- 7.2. The proceeds of the performance security shall be payable to the purchaser as compensation for any loss resulting from the supplier's failure to complete his obligations under the contract.
- 7.3. The performance security shall be denominated in the currency of the contract or in a freely convertible currency acceptable to the purchaser and shall be in one of the following forms:
- 7.3.1. bank guarantee or an irrevocable letter of credit issued by a reputable bank located in the purchaser's country or abroad, acceptable to the purchaser, in the form provided in the bidding documents or another form acceptable to the purchaser; or
- 7.3.2. a cashier's or certified cheque.
- 7.4. The performance security will be discharged by the purchaser and returned to the supplier not later than thirty (30) days following the date of completion of the supplier's performance obligations under the contract, including any warranty obligations, unless otherwise specified.

8. Inspections, tests and analyses

- 8.1. All pre-bidding testing will be for the account of the bidder.
- 8.2. If it is a bid condition that supplies to be produced or services to be rendered should at any stage during production or execution or on completion be subject to inspections tests and analysis, the bidder or contractor's premises shall be open, at all reasonable hours, for inspection by a representative of the purchaser or an organization acting on behalf of the purchaser.
- 8.3. If there are no inspection requirements indicated in the bidding documents and no mention is made in the contract, but during the contract period it is decided that inspections shall be carried out, the purchaser shall itself make the necessary arrangements, including payment arrangements with the testing authority concerned.
- 8.4. If the inspections, tests and analyses referred to in clauses 8.2 and 8.3 show the goods to be in accordance with the contract requirements, the cost of the inspections, tests and analyses shall be defrayed by the purchaser.
- 8.5. Where the goods or services referred to in clauses 8.2 and 8.3 do not comply with the contract requirements, irrespective of whether such goods or services are accepted or not, the cost in connection with these inspections, tests or analyses shall be defrayed by the supplier.
- 8.6. Supplies and services which are referred to in clauses 8.2 and 8.3 and which do not comply with the contract requirements may be rejected.

BERGRIVIER MUNICIPALITY

- 8.7. Any contract goods may on or after delivery be inspected, tested or analyzed and may be rejected if found not to comply with the requirements of the contract. Such rejected goods shall be held at the cost and risk of the supplier who shall, when called upon, remove them immediately at his own cost and forthwith substitute them with goods which do comply with the requirements of the contract. Failing such removal the rejected goods shall be returned at the suppliers cost and risk. Should the supplier fail to provide the substitute goods forthwith, the purchaser may, without giving the supplier further opportunity to substitute the rejected goods, purchase such goods as may be necessary at the expense of the supplier.
- 8.8. The provisions of clauses 8.4 to 8.7 shall not prejudice the right of the purchaser to cancel the contract on account of a breach of the conditions thereof, or to act in terms of Clause 22 of GCC.

9. Packing

- 9.1. The supplier shall provide such packing of the goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packing, case size and weights shall take into consideration, where appropriate, the remoteness of the goods' final destination and the absence of heavy handling facilities at all points in transit.
- 9.2. The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the contract, including additional requirements, and in any subsequent instructions ordered by the purchaser.

10. Delivery

Delivery of the goods shall be made by the supplier in accordance with the documents and terms specified in the contract. The details of shipping and/or other documents to be furnished by the supplier are specified.

11. Insurance

The goods supplied under the contract shall be fully insured in a freely convertible currency against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery in the manner specified.

12. Transportation

Should a price other than an all-inclusive delivered price be required, this shall be specified.

13. Incidental

- 13.1. The supplier may be required to provide any or all of the following services, including additional services, if any:
- 13.1.1. performance or supervision of on-site assembly and/or commissioning of the supplied goods;
 - 13.1.2. furnishing of tools required for assembly and/or maintenance of the supplied goods;
 - 13.1.3. furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied goods;
 - 13.1.4. performance or supervision or maintenance and/or repair of the supplied goods, for a period of time agreed by the parties, provided that this service shall not relieve the supplier of any warranty obligations under this contract; and
 - 13.1.5. training of the purchaser's personnel, at the supplier's plant and/or on-site, in assembly, start-up, operation, maintenance, and/or repair of the supplied goods.
- 13.2. Prices charged by the supplier for incidental services, if not included in the contract price for the goods, shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the supplier for similar services.

14. Spare parts

- 14.1. As specified, the supplier may be required to provide any or all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the supplier:

BERGRIVIER MUNICIPALITY

- 14.1.1. such spare parts as the purchaser may elect to purchase from the supplier, provided that this election shall not relieve the supplier of any warranty obligations under the contract; and;
- 14.1.2. in the event of termination of production of the spare parts:
 - 14.1.2.1. advance notification to the purchaser of the pending termination, in sufficient time to permit the purchaser to procure needed requirements; and
 - 14.1.2.2. following such termination, furnishing at no cost to the purchaser, the blueprints, drawings, and specifications of the spare parts, if requested.

15. Warranty

- 15.1. The supplier warrants that the goods supplied under the contract are new, unused, of the most recent or current models, and that they incorporate all recent improvements in design and materials unless provided otherwise in the contract. The supplier further warrants that all goods supplied under this contract shall have no defect, arising from design, materials, or workmanship (except when the design and/or material is required by the purchaser's specifications) or from any act or omission of the supplier, that may develop under normal use of the supplied goods in the conditions prevailing in the country of final destination.
- 15.2. This warranty shall remain valid for twelve (12) months after the goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the contract, or for eighteen (18) months after the date of shipment from the port or place of loading in the source country, whichever period concludes earlier, unless specified otherwise in SCC.
- 15.3. The purchaser shall promptly notify the supplier in writing of any claims arising under this warranty.
- 15.4. Upon receipt of such notice, the supplier shall, within the period specified in SCC and with all reasonable speed, repair or replace the defective goods or parts thereof, without costs to the purchaser.
- 15.5. If the supplier, having been notified, fails to remedy the defect(s) within the period specified, the purchaser may proceed to take such remedial action as may be necessary, at the supplier's risk and expense and without prejudice to any other rights which the purchaser may have against the supplier under the contract.

16. Payment

- 16.1. The method and conditions of payment to be made to the supplier under this contract shall be specified.
- 16.2. The supplier shall furnish the purchaser with an invoice accompanied by a copy of the delivery note and upon fulfillment of other obligations stipulated in the contract.
- 16.3. Payments shall be made by the purchaser **no later than thirty (30) days** after submission of an **invoice, statement** or claim by the supplier.
- 16.4. Payment will be made in Rand unless otherwise stipulated.

17. Prices

Prices charged by the supplier for goods delivered and services performed under the contract shall not vary from the prices quoted by the supplier in his bid, with the exception of any price adjustments authorized or in the purchaser's request for bid validity extension, as the case may be.

18. Variation orders

In cases where the estimated value of the envisaged changes in purchase does not vary more than 15% of the total value of the original contract, the contractor may be instructed to deliver the goods or render the services as such. In cases of measurable quantities, the contractor may be approached to reduce the unit price and such offers, may be accepted provided that there is no escalation in price.

19. Assignment

The supplier shall not assign, in whole or in part, its obligations to perform under the contract, except with the purchaser's prior written consent.

20. Subcontracts

BERGRIVIER MUNICIPALITY

The supplier shall notify the purchaser in writing of all subcontracts awarded under this contract, if not already specified in the bid. Such notification, in the original bid or later, shall not relieve the supplier from any liability or obligation under the contract.

21. Delays in the supplier's performance

- 21.1. Delivery of the goods and performance of services shall be made by the supplier in accordance with the time schedule prescribed by the purchaser in the contract.
- 21.2. If at any time during performance of the contract, the supplier or its subcontractor(s) should encounter conditions impeding timely delivery of the goods and performance of services, the supplier shall promptly notify the purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the supplier's notice, the purchaser shall evaluate the situation and may at his discretion extend the supplier's time for performance, with or without the imposition of penalties, in which case the extension shall be ratified by the parties by amendment of contract.
- 21.3. The right is reserved to procure outside of the contract small quantities or to have minor essential services executed if an emergency arises, the supplier's point of supply is not situated at or near the place where the supplies are required, or the supplier's services are not readily available.
- 21.4. Except as provided under GCC Clause 25, a delay by the supplier in the performance of its delivery obligations shall render the supplier liable to the imposition of penalties, pursuant to GCC Clause 22, unless an extension of time is agreed upon pursuant to GCC Clause 22 without the application of penalties.
- 21.5. Upon any delay beyond the delivery period in the case of a supplies contract, the purchaser shall, without cancelling the contract, be entitled to purchase supplies of a similar quality and up to the same quantity in substitution of the goods not supplied in conformity with the contract and to return any goods delivered later at the supplier's expense and risk, or to cancel the contract and buy such goods as may be required to complete the contract and without prejudice to his other rights, be entitled to claim damages from the supplier.

22. Penalties

Subject to GCC Clause 25, if the supplier fails to deliver any or all of the goods or to perform the services within the period(s) specified in the contract, the purchaser shall, without prejudice to its other remedies under the contract, deduct from the contract price, as a penalty, a sum calculated on the delivered price of the delayed goods or unperformed services using the current prime interest rate calculated for each day of the delay until actual delivery or performance. The purchaser may also consider termination of the contract pursuant to GCC Clause 23.

23. Termination for default

- 23.1. The purchaser, without prejudice to any other remedy for breach of contract, by written notice of default sent to the supplier, may terminate this contract in whole or in part:
 - 23.1.1. if the supplier fails to deliver any or all of the goods within the period(s) specified in the contract, or within any extension thereof granted by the purchaser pursuant to GCC Clause 21.2;
 - 23.1.2. if the Supplier fails to perform any other obligation(s) under the contract; or
 - 23.1.3. if the supplier, in the judgment of the purchaser, has engaged in corrupt or fraudulent practices in competing for or in executing the contract.
- 23.2. In the event the purchaser terminates the contract in whole or in part, the purchaser may procure, upon such terms and in such manner as it deems appropriate, goods, works or services similar to those undelivered, and the supplier shall be liable to the purchaser for any excess costs for such similar goods, works or services. However, the supplier shall continue performance of the contract to the extent not terminated.
- 23.3. Where the purchaser terminates the contract in whole or in part, the purchaser may decide to impose a restriction penalty on the supplier by prohibiting such supplier from doing business with the public sector for a period not exceeding 10 years.
- 23.4. If a purchaser intends imposing a restriction on a supplier or any person associated with the supplier, the supplier will be allowed a time period of not more than fourteen (14) days to provide reasons why the envisaged restriction should not be imposed. Should the supplier fail to

BERGRIVIER MUNICIPALITY

respond within the stipulated fourteen (14) days the purchaser may regard the supplier as having no objection and proceed with the restriction.

- 23.5. Any restriction imposed on any person by the purchaser will, at the discretion of the purchaser, also be applicable to any other enterprise or any partner, manager, director or other person who wholly or partly exercises or exercised or may exercise control over the enterprise of the first-mentioned person, and with which enterprise or person the first-mentioned person, is or was in the opinion of the purchase actively associated.
- 23.6. If a restriction is imposed, the purchaser must, within five (5) working days of such imposition, furnish the National Treasury, with the following information:
- 23.6.1. the name and address of the supplier and / or person restricted by the purchaser;
- 23.6.2. the date of commencement of the restriction
- 23.6.3. the period of restriction; and
- 23.6.4. the reasons for the restriction.

These details will be loaded in the National Treasury's central database of suppliers or persons prohibited from doing business with the public sector.

- 23.7. If a court of law convicts a person of an offence as contemplated in sections 12 or 13 of the Prevention and Combating of Corrupt Activities Act, No. 12 of 2004, the court may also rule that such person's name be endorsed on the Register for Tender Defaulters. When a person's name has been endorsed on the Register, the person will be prohibited from doing business with the public sector for a period not less than five years and not more than 10 years. The National Treasury is empowered to determine the period of restriction and each case will be dealt with on its own merits. According to section 32 of the Act the Register must be open to the public. The Register can be perused on the National Treasury website.

24. Anti-dumping and countervailing duties and rights

When, after the date of bid, provisional payments are required, or antidumping or countervailing duties are imposed, or the amount of a provisional payment or anti-dumping or countervailing right is increased in respect of any dumped or subsidized import, the State is not liable for any amount so required or imposed, or for the amount of any such increase. When, after the said date, such a provisional payment is no longer required or any such anti-dumping or countervailing right is abolished, or where the amount of such provisional payment or any such right is reduced, any such favorable difference shall on demand be paid forthwith by the contractor to the State or the State may deduct such amounts from moneys (if any) which may otherwise be due to the contractor in regard to supplies or services which he delivered or rendered, or is to deliver or render in terms of the contract or any other contract or any other amount which may be due to him.

25. Force Majeure

- 25.1. Notwithstanding the provisions of GCC Clauses 22 and 23, the supplier shall not be liable for forfeiture of its performance security, damages, or termination for default if and to the extent that his delay in performance or other failure to perform his obligations under the contract is the result of an event of force majeure.
- 25.2. If a force majeure situation arises, the supplier shall promptly notify the purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the purchaser in writing, the supplier shall continue to perform its obligations under the contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the force majeure event.

26. Termination for insolvency

The purchaser may at any time terminate the contract by giving written notice to the supplier if the supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the supplier, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the purchaser.

27. Settlement of Disputes

- 27.1. If any dispute or difference of any kind whatsoever arises between the purchaser and the supplier in connection with or arising out of the contract, the parties shall make every effort to resolve amicably such dispute or difference by mutual consultation.

BERGRIVIER MUNICIPALITY

- 27.2. If, after thirty (30) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the purchaser or the supplier may give notice to the other party of his intention to commence with mediation. No mediation in respect of this matter may be commenced unless such notice is given to the other party.
- 27.3. Should it not be possible to settle a dispute by means of mediation, it may be settled in a South African court of law.
- 27.4. Notwithstanding any reference to mediation and/or court proceedings herein,
- 27.4.1. the parties shall continue to perform their respective obligations under the contract unless they otherwise agree; and
- 27.4.2. the purchaser shall pay the supplier any monies due for goods delivered and / or services rendered according to the prescripts of the contract.

28. Limitation of liability

- 28.1. Except in cases of criminal negligence or wilful misconduct, and in the case of infringement pursuant to Clause 6;
- 28.1.1. the supplier shall not be liable to the purchaser, whether in contract, tort, or otherwise, for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the supplier to pay penalties and/or damages to the purchaser; and
- 28.1.2. the aggregate liability of the supplier to the purchaser, whether under the contract, in tort or otherwise, shall not exceed the total contract price, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment

29. Governing language

The contract shall be written in English. All correspondence and other documents pertaining to the contract that is exchanged by the parties shall also be written in English.

30. Applicable law

The contract shall be interpreted in accordance with South African laws, unless otherwise specified.

31. Notices

- 31.1. Every written acceptance of a bid shall be posted to the supplier concerned by registered or certified mail and any other notice to him shall be posted by ordinary mail to the address furnished in his bid or to the address notified later by him in writing and such posting shall be deemed to be proper service of such notice
- 31.2. The time mentioned in the contract documents for performing any act after such aforesaid notice has been given, shall be reckoned from the date of posting of such notice.

32. Taxes and duties

- 32.1. A foreign supplier shall be entirely responsible for all taxes, stamp duties, license fees, and other such levies imposed outside the purchaser's country.
- 32.2. A local supplier shall be entirely responsible for all taxes, duties, license fees, etc., incurred until delivery of the contracted goods to the purchaser.
- 32.3. No contract shall be concluded with any bidder whose tax matters are not in order. Prior to the award of a bid SARS must have certified that the tax matters of the preferred bidder are in order.
- 32.4. No contract shall be concluded with any bidder whose municipal rates and taxes and municipal services charges are in arrears.

33. Transfer of contracts

The contractor shall not abandon, transfer, cede, assign or sublet a contract or part thereof without the written permission of the purchaser.

BERGRIVIER MUNICIPALITY

34. Amendment of contracts

No agreement to amend or vary a contract or order or the conditions, stipulations or provisions thereof shall be valid and of any force unless such agreement to amend or vary is entered into in writing and signed by the contracting parties. Any waiver of the requirement that the agreement to amend or vary shall be in writing, shall also be in writing.

35. Prohibition of restrictive practices.

- 35.1. In terms of section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, an agreement between, or concerted practice by, firms, or a decision by an association of firms, is prohibited if it is between parties in a horizontal relationship and if a bidder(s) is / are or a contractor(s) was / were involved in collusive bidding.
- 35.2. If a bidder(s) or contractor(s) based on reasonable grounds or evidence obtained by the purchaser has / have engaged in the restrictive practice referred to above, the purchaser may refer the matter to the Competition Commission for investigation and possible imposition of administrative penalties as contemplated in section 59 of the Competition Act No 89 Of 1998.
- 35.3. If a bidder(s) or contractor(s) has / have been found guilty by the Competition Commission of the restrictive practice referred to above, the purchaser may, in addition and without prejudice to any other remedy provided for, invalidate the bid(s) for such item(s) offered, and / or terminate the contract in whole or part, and / or restrict the bidder(s) or contractor(s) from conducting business with the public sector for a period not exceeding ten (10) years and / or claim damages from the bidder(s) or contractor(s) concerned.

10. MBD 9 – CERTIFICATE OF INDEPENDENT BID DETERMINATION

1. This Municipal Bidding Document (MBD) must form part of all bids invited.
2. Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).⁴ Collusive bidding is a *per se* prohibition meaning that it cannot be justified under any grounds.
3. Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - 3.1. take all reasonable steps to prevent such abuse;
 - 3.2. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - 3.3. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
4. This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
5. In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

CERTIFICATE OF INDEPENDENT BID DETERMINATION:

In response to the invitation for the bid made by:

BERGRIVIER MUNICIPALITY

I, the undersigned, in submitting the accompanying bid, hereby make the following statements that I certify to be true and complete in every respect:

1. I have read and I understand the contents of this Certificate;
2. I understand that the accompanying bid will be disqualified if this Certificate is found not to be true and complete in every respect;
3. I am authorized by the bidder to sign this Certificate, and to submit the accompanying bid, on behalf of the bidder;
4. Each person whose signature appears on the accompanying bid has been authorized by the bidder to determine the terms of, and to sign, the bid, on behalf of the bidder;
5. For the purposes of this Certificate and the accompanying bid, I understand that the word “competitor” shall include any individual or organization, other than the bidder, whether or not affiliated with the bidder, who:

⁴ Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

BERGRIVIER MUNICIPALITY

- 5.1. has been requested to submit a bid in response to this bid invitation;
 - 5.2. could potentially submit a bid in response to this bid invitation, based on their qualifications, abilities or experience; and
 - 5.3. provides the same goods and services as the bidder and/or is in the same line of business as the bidder
6. The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However communication between partners in a joint venture or consortium⁵ will not be construed as collusive bidding.
7. In particular, without limiting the generality of paragraphs 6 above, there has been no consultation, communication, agreement or arrangement with any competitor regarding:
- 7.1. prices;
 - 7.2. geographical area where product or service will be rendered (market allocation)
 - 7.3. methods, factors or formulas used to calculate prices;
 - 7.4. the intention or decision to submit or not to submit, a bid;
 - 7.5. the submission of a bid which does not meet the specifications and conditions of the bid; or
 - 7.6. bidding with the intention not to win the bid.
8. In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications and conditions or delivery particulars of the products or services to which this bid invitation relates.
9. The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.
10. I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No. 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No. 12 of 2004 or any other applicable legislation.

1. The successful service provider cannot subcontract more than 25% of the work, and such subcontracting can only be done pursuant to the written permission of the municipality. Any consent granted in this regard, and the appointment of a subcontractor shall not imply a contract between the Municipality and the subcontractor, or a responsibility or liability on the part of the Municipality to the subcontractor and shall not relieve the Contractor from any liability or obligation under the Contract and he shall be liable for the acts, defaults and neglects of any subcontractor, his agents or employees as fully as if they were the acts, defaults or neglects of the Contractor, his agents or employees. All work must be done according to the Occupational Health and Safety Act, (Act No. 85 of 1993) Gazetted in Vol. 440, No. 23108, 10 February 2002, Regulation Gazette, No. 7276 No. R. 155. The work must commence within 7 days after receiving an official order, and it must be completed within 40 working days (save for any indulgences allowed for in the sole and exclusive discretion of the municipality). Contractors must submit three letters, from contactable references for similar assignments as a company.

2. CONDITIONS OF CONTRACT

The following general conditions of contract must be noted by the contractor;

- It is the responsibility of the Contractor to have knowledge of the extent and nature of the work and materials required for carrying out the completion of the works before submitting his tender.
- The Contractor shall take instructions only from the Employer's Agent, the Employer's Agent's Representative.

BERGRIVIER MUNICIPALITY

- In order to carry out and complete the Works the Contractor shall employ on the site only such persons that are careful, competent and efficient in their various trades and professions.
- The Contractor shall provide all necessary supervision while carrying out the Works.
- On Completion of the Works the Contractor shall clear away and remove from the Site all Construction Equipment, surplus material, rubble and Temporary Works.
- The quality of plants, workmanship and materials must be suitable for the purposes intended, to the satisfaction of the municipality.
- At completion of the works, adequate notice must be given to the municipality for inspection purposes, before an invoice can be submitted or signed off.
- The Contractor must comply with, and must ensure that its employees and visitors comply with, all relevant and applicable laws, codes, standards, guidelines, rules, policies and procedures relating to health and safety in the work-place.
- Before carrying out any work at the municipal premises, the Contractor must identify any foreseeable hazards associated with the place of work and the work to be carried out by the Contractor, that has the potential to harm the health or safety of any person, assess the risk of harm to the health or safety of any person arising from any hazard identified, and
- Eliminate any reasonably foreseeable risk to the health or safety of any person arising from any hazard identified or, if it is not reasonably practicable to eliminate the risk, develop measures or procedures to effectively control the risk.
- The Contractor must ensure that each employee has the necessary skills, knowledge, qualifications, training, competence and experience, to carry out the work, including qualifications, certification and competencies required under the OHS Act 85 Of 1993 and the OHS Regulations.

3. PERSONAL PROTECTIVE EQUIPMENT

The Contractor must ensure that each person carrying out work at or visiting the premises is provided with, and wears at all times if necessary, all the appropriate personal protective equipment including if required, but not limited to:

- (a) Head protection (safety helmet),
- (b) Protective footwear (laced-up with steel toe protector),
- (c) Hearing protectors (including ear plugs, ear canal caps, ear muffs and hearing protective helmets),
- (d) Eye protection equipment (including safety glasses or goggles (with sun protection where necessary), wide-vision goggles, face shield and hood),

BERGRIVIER MUNICIPALITY

- (e) Respiratory protection (including particulate respirator, gas filter respirator and supplied air respirator),
- (f) Hand protection (including safety gloves),
- (g) Wet weather clothing and footwear,
- (h) Sun protection cream when exposed to excessive sun,
- (i) High visibility safety clothing or safety vests when working close to moving traffic or construction vehicles.
- (j) Is informed of any limitations of the equipment, and
- (j) Is provided with the instruction and training necessary to ensure that the equipment controls the risk for which it is provided.

4. CERTIFICATION OF EMPLOYEES

The Contractor must ensure that each employee who will be carrying out scheduled work under the relevant regulations holds a recognized qualification or a certificate of competency issued by an approved training authority.

5. DEMARCATION OF WORK AREAS

Work areas that pose a potential danger to people and public, must be visibly or structurally cordoned off with barriers, netting or wire-fencing with hazard tape applied in zig-zag formation. The method used must be suitable for the purpose, e.g. physical barriers or fences must be used to prevent people from falling into holes. The barriers, netting and wire-fencing hazard tape must be neat and clearly visible. Temporary lighting or effective reflectors shall be implemented if the danger exists that barriers become ineffective during poor visibility or darkness. Clearly visible Safety Signs shall be installed by the contractor to alert third parties entering the work area of the dangers / hazards that exists in such a work area. These signs shall comply with SABS standards and shall be appropriate for the type of work performed in the work area.

6. CONDUCT OF CONTRACTOR'S PERSONNEL

The Contractor shall instruct its employees to comply with the following

- a) No one shall enter any part of the Municipality's premises, including the work site, other than for the purpose carrying out the work specified for the project.
- b) A Contractor may not commence with work on a site, before their presence has been notified to the person in charge of the site.
- c) All staff and Contractor personnel needing access must be issued by the Contractor with a suitable form of identification.
- d) No fire shall be started on the premises, and no leisure activities shall be conducted.
- e) Personal protective equipment shall be used and worn in accordance with the safety regulations.
- f) Horseplay, fooling around, skylarking, music, loud-talking or singing, swimming, drinking, practical joking, fighting or acting irresponsibly or in an undignified manner is prohibited. Good discipline must be

BERGRIVIER MUNICIPALITY

maintained at all times, since the work will occur in a functioning beach resort.

- g) Stacked items shall be stable and stacked neatly at all times.
- h) Workers shall not clean dust from overalls or skin with compressed air.
- i) Access to and from the work area, must only be via recognised roads or access ways, and not over fences.
- j) Every contract employee must be familiar with the meaning of and obey safety signs / symbols.
- k) Maintenance work (if any) on electrically powered equipment, tools and machinery shall only be performed by suitably qualified personnel.
- l) The electrical supply to such equipment shall be switched off at the appropriate isolation switch during the time that protective covers are removed and while physical work is performed on any non-insulated electrical component parts.
- m) The isolation switch to such equipment shall preferably be locked during the time of the maintenance work and the key to such a lock shall be carried by the person performing the maintenance work.
- n) If it is not possible to lock the isolation switch, the person performing the maintenance work shall secure a clear "Men At Work" sign onto the isolation switch or onto the door or cover that covers such isolation switch.
- o) The person performing such maintenance work shall before commencing any physical work on non-insulated component parts; ensure that there is no electrical power present at such parts, by performing a test using a reliable instrument.
- p) Contractor's employees must obey the barricaded areas and safety signs erected by other contractors.
- q) Certain facilities may be equipped with electrified security fences. These fences should be considered live at all times when working next to them.
- r) It is essential that good housekeeping be maintained throughout the period of any work both at the work site and in and around any temporary buildings. The working area is to be kept tidy at all times, escape and other access ways kept clear, safety and fire-fighting equipment kept accessible and surplus/scrap material removed daily. Cleaning up only at the end of a job is not considered sufficient. Spillage of oil or chemicals shall be cleared up immediately in view of the hazards of fire, slippery surfaces, toxic substances, etc. Appropriate safety precautions shall be taken during the clearing up.

BERGRIVIER MUNICIPALITY

- s) Refuse, especially flammable material (waste rags, waste paper etc.), may only be placed in suitably marked refuse bins. The use of flammable solvents and gasoline for cleaning purposes must be avoided.
- t) The Contractor's specific attention is drawn to the fact that undisturbed piles of rag or cloth or other media soaked in oil, grease or petrol can spontaneously ignite and must therefore be disposed of on a daily basis in the appropriate manner.
- u) The dumping of litter in storm water and sewer systems is prohibited.

7. RIGHT OF ACCESS

The municipality may refuse access to a work site by any one of the Contractors personnel who is demonstrably guilty of misconduct, or who has proven by his / her action to have a disregard for any of the relevant health and safety requirements. Such action taken against or by the Contractor shall not result in any claims against the Municipality by the Contractor. Incidents involving misconduct includes, but is not limited to

- Possession of illegal drugs, liquor or other intoxicating substances on the premises;
- Intoxication, and/or consumption of an intoxicating substance;
- Unauthorised possession or use of the property of Bergrivier Municipality;
- Fighting/assaulting of personnel, residents and or visitors;
- Possession of dangerous weapons;
- Violation of health and safety rules as stipulated in this specification or any other notice displayed on site.

8. CONDUCT ON SITE

The contractor shall not allow unauthorized, untrained or unlicensed operators to operate equipment or vehicles in the facility. No contractor vehicle, equipment or machine will be permitted onto the facility unless:

- Such vehicle is in a roadworthy condition, and in the case of equipment and machines, has been inspected and approved by the Contractor's Responsible Person.
- Contractor machines and equipment must display suitable identification, stating a re-inspection date. Contractors may be required to remove machines or equipment without valid identification from the facility premises.
- Contractor vehicles, equipment and machinery are subject to a visual road worthy check and/ or a safety inspection by the Municipality.

The following will be applicable to the Operation of vehicles:

BERGRIVIER MUNICIPALITY

- All drivers must hold and be able to produce a valid driver's license.
- A maximum speed limit inside the construction site is 10km/h, unless otherwise indicated.
- Always give way for emergency vehicles (fire, ambulance or rescue vehicles).
- Warning, safety and road signs must always be obeyed.
- Pedestrians have the right of way in the work area.
- All passengers must be properly seated.
- Overloading of vehicles is not permitted.
- People and freight may not be transported together unless the freight has been secured and sufficient, safe seats separate from the freight, have been provided.
- Transporting passengers on cranes, forklifts, mechanical shovels or other equipment is prohibited, unless such vehicles are equipped with additional seating.
- Reckless driving or non-observance of these instructions may be cause for the withdrawal of the authorisation of the driver to operate within the construction site.
- The occupants of vehicles, whilst on Municipal related business, including journeys to and from work sites, must wear seat belts where fitted to any vehicle as a local legislative requirement.
- During the removal of material, or excavations if necessary, the Contractor shall take extra care not to damage any underground equipment.
- If any such equipment is damaged during excavations, the necessary precautions shall be taken immediately to make the situation as safe as reasonably possible, and the relevant Municipal maintenance manager or standby contact person must be contacted immediately for advice on further action to be taken, and all repairs required will be for the account of the contractor.

9. SAFETY EQUIPMENT AND PERSONAL PROTECTIVE EQUIPMENT

- The Contractor will be responsible to provide adequate and appropriate first aid equipment and other safety equipment of an approved type and quantity, as may be specified (or expected in accordance with good working practice), and shall maintain this equipment in a professional manner as dictated by legal and industry standards. In addition, the Contractor shall keep up-to-date records of all said equipment.
- If there are more than 5 contractor employees on a work site, the contractor shall provide a properly equipped First Aid box on site. At

BERGRIVIER MUNICIPALITY

least one employee per group of 10 shall have a valid First Aid Training certificate.

- The contractor shall ensure that all contract personnel under his supervision have been trained in the proper use, maintenance and limitations of safety equipment.
- The Contractor's Responsible Person must not require, or permit a contract employee to work unless the required safety equipment is used.
- The Contractor shall supply its personnel and sub-contractor's personnel with adequate protective clothing and equipment as required in connection with the safe performance of the work. The personal protective clothing and other protective equipment shall be maintained in good condition, and shall be worn on all relevant occasions as indicated by notices, instructions, work permits, safety regulations and good practice.
- Only SABS-approved safety shoes must be worn in operating and construction areas.
- Safety hats are to be worn at all sites where there is a possibility of head injuries.
- Gloves of a type approved, must be worn whenever handling hazardous chemical substances, or if there is a possibility of cutting the skin when abrasive or sharp materials are being man-handled.
- Hearing protection of a type approved, must be worn in all areas classified and demarcated as noise zones or when working with machinery that generates noise above 85dB (A), such as compactors and jackhammers etc.
- Safety glasses and face shields must be worn when involved in a concussive or abrasive operation likely to cause flying debris, or when gas or arc welding/cutting is being carried out, or when decanting or handling hazardous chemicals.
- Sand blasting, grinding and disc cutting operations, should preferably be done using equipment and/or procedures that do not produce dust. In cases where this is not possible, SABS-approved respiratory equipment must be worn and the area must be enclosed to contain dust generation to a minimum.
- Safety harnesses shall be used to secure workers to building structures when working at elevated heights (2 meters) and where a risk of falling from such heights is not protected by any other means.
- The wearing of loose over-clothes, sandals and/or shorts in the facility's operational areas and for construction work, is prohibited. Long sleeve shirts and long trousers, preferably overalls, must be worn. Long hair constitutes a hazard around machinery and must be properly secured.

10. REPORTING OF ACCIDENTS AND INCIDENTS

Any incident, condition or act that could or could have caused injury, damage or loss or affect the environment must be reported to the Municipality. Such reports shall include but not be limited to the following:

- fatalities and lost-time injuries to its personnel or sub-contractor personnel;
- comparable injury to third parties;
- damage to plant or equipment;
- loss of containment;
- actual or potential damage to the environment;
- Outbreak of fires.

The contractor is responsible for reporting, in terms of the OHSAct (85 of 1993), all "reportable incidents" to the Department of labour. Immediate notification shall be followed by a full Incident Investigation Report to the Municipality's Responsible Person within 24 hours for serious accidents and 72 hours for minor accidents.

11. OCCUPATIONAL HEALTH AND HYGIENE

The Contractor shall be responsible for the medical welfare of its own and sub-contractor personnel. The Contractor shall ensure that all its personnel and sub-contractor's personnel are medically fit to perform their work. If requested by the Municipality, the Contractor shall provide medical certificates for its own and sub-contractor's personnel. The Contractor shall adhere to all applicable government regulations or the Municipality's guidelines for medical surveillance or industrial hygiene monitoring. The Contractor shall ensure that its personnel and sub-contractor's personnel maintain the highest standards of hygiene at all times.

12. SPECIFIC UNDERTAKING BY CONTRACTOR'S MANAGEMENT

We/I, representing the contractor, have read and understand the Health, Safety & Environmental requirements stated herein and we undertake to adhere to the letter and spirit of these rules. We undertake to train our employees and to enforce the implementation thereof at all levels in our organization. We understand that the breach of the Health, Safety & Environmental rules will be considered as a serious breach of this agreement and that it can lead to the permanent cancellation of this agreement, and the concomitant recovery of any losses suffered by the municipality.
